

Jeremy Christian: Occult Nazi Aspects

<https://www.facebook.com/jeremy.christian.581/posts/1092553550808291>

" I swear to Odin, Kali, Bastet and all other Pagan Gods and Goddesses in my Aryan Theosophical Nucleus."

Jeremy swears to: ODIN

As the god of war, Odin watched over warriors who fell in battle.

Odin has a Resemblance to Enki or other Sumerian Gods

Cited from above link: Satan is known to be Odin, Poseidon, Enki, Lucifer, etc. If you do your research you will notice they have the same attributes and their similarities can tell you how their connected. According to the Catholic Encyclopedia, all gentile gods (pagan gods) are Demons, and for once they are correct.

Jeremy swears to Kali: Goddess of Destruction

Goddess Kali represents the force of the ultimate devourer. She is bathed in blood and one of her leg is seen folded to her knee. The figure she represents is one that is sufficient to strike fear into the weak-hearted. It is no surprise therefore that early orientalist historians assumed Goddess Kali herself was a demon. Blood sacrifices of animals are not uncommon in her worship.

Shiva, A principal diety in Hinduism: Not mentioned by Jeremy but is associated with Kali as a consort.

Shiva is the "destroyer and transformer" within the [Trimurti](#), the Hindu trinity that includes [Brahma](#) and [Vishnu](#).^{[3][4]} In Shaivism tradition, Shiva is the Supreme being who creates, protects and transforms the universe.^{[5][6]}

There are references to Shiva being also linked with or being 'Samael'. Who are both inferred to having a prince of demons status. And both are associated with creating 'material world'.

Not Mentioned by Jeremy, Samael : Another entity with a God Complex. Has increasing similarities to Shiva in creation and destruction of the universe.

The Hypostasis of the Archons

Opening his eyes, he saw a vast quantity of matter without limit; and he became arrogant, saying, "It is I who am God, and there is none other apart from me". When he said this, he sinned against the entirety. And a voice came forth from above the realm of absolute power, saying, "You are mistaken, Samael" – which is, 'god of the blind'.

Associated with Shiva in some Kabbalah References

There is a strong similarity to the Hindu God Shiva, who also had the title Prince of Demons. Shiva is essentially destructive and is surrounded by ogresses. His name "*Bhudapati*" means "*the favourable or the benevolent*" and was meant to propitiate a dangerous deity who breathes pestilence and death.

Jeremy Swears to BASTET: Diety of WARFARE

<https://henadology.wordpress.com/theology/netjeru/bast/>

In texts .." Frequent reference is made to Bast projecting her potencies in the form of seven 'arrows', each of which is made up of a demon or group of demons. These seven demons or demonic groups may be wielded by other deities,....."

Last Commentary:

It is interesting to see that a few of the 'entities' referenced by Jeremy C. have links to the entity known as a chief amongst archons; Samael, the one Sophia had created without her consort in the copic text The Nag Hammadi. The entities referenced by Jeremy C., Odin (war), Kali (Destruction), Bastet (warfare), all have destructive connotations, yet their associations, when researched are Shiva, Enki, and Samael. The other associations are generally found together as an interchangeable entity and often can be discovered to take on any of the three names Shiva, Enki, and Samael.

It would seem that the gods of Jeremy C. have little to do with patriotism and are more embedded in the particular Nazi group J.C. was affiliated with. It is even highly likely that Jeremy C. may have cooperated in ritualistic ceremonies to these entities years before this instance of violence.

He also claims to be a Nihilist:

Nihilism is the belief that all values are baseless and that nothing can be known or communicated. It is often associated with extreme pessimism and a radical [skepticism](#) that condemns existence. A true nihilist would believe in nothing, have no loyalties, and no purpose other than, perhaps, an impulse to destroy.

Jeremy C. has an intense focus on war and destruction. As to say he was a ticking time bomb. Christian also posted material from media outlets depicting his participation in the April rally, referring to his use of an American flag as a cape as his “Lizard King Regalia”.

Interesting Extra Info as SJW have a goddess associated with "NAZI".

Social Justice Goddess Pronounced "NAZI"

[Nanshe](#) (also known as Nanse, Nazi) is the Sumerian goddess of social justice and divination, whose popularity eventually transcended her original boundaries of southern [Mesopotamia](#) toward all points throughout the region in the 3rd millennium BCE. She was the daughter of [Enki](#), god of wisdom and fresh water, and [Ninhursag](#), the Mother Goddess (though she is also referenced as the daughter of [Enlil](#)).
